

# HOW MUCH WATER DO WE WASTE?

Thinking in bottles

Laundry: each load

X 10

Sink

per plate

The average American uses more than 175 bottles of water each day, with an average waste of 37%

**Bathroom:**

Washing your hands

Brushing your teeth

Shaving

Average shower

X 2

Toilet: each flush

 = 0.5 liters

\* All data was calculated according to the average faucet
